Summary

Passionate about web development and dedicated to mastering ReactJS . With a solid foundation in HTML, CSS, JavaScript, and MySQL, along with a BCA degree, I'm on an exhilarating journey to excel in ReactJS and become a proficient full-stack developer, crafting dynamic, interactive web applications.

Thriving in collaborative environments, I'm always on the lookout for opportunities to channel my skills and knowledge into impactful projects.

Let's connect and embark on a journey of endless possibilities together!

Experience

Web Development Intern
Bharat Intern
Sep 2023 - Present (2 months)
As a web developer intern at Bharat Intern, I've been immersed in a dynamic learning experience. I successfully completed two significant tasks: designing a temperature converter website and crafting a Netflix clone site. These projects have allowed me to sharpen my coding skills and gain valuable hands-on experience in web development.

Web Development Intern
CodSoft
Sep 2023 - Present (2 months)

Education

Lovely Professional University
Master of Computer Applications - MCA, Computer Science
Aug 2022 - Aug 2024

S S Jain Subodh P G College, Jaipur
Bachelor in computer application (BCA), Computer Programming
Jul 2019 - Aug 2022
